## **1. New registration procedure**

---

The registration of entries is done online.

**Step 1:** The FMN must request and receive a personal [login](#) for the registration platform.

**Step 2:** Once logged in <https://fim-rider-registration.com/federation/federationlinks>, the FMN will chose the link "Entry Form FIM Junior MX" and enter their riders per class.

If a rider does not exist on the list of "known riders", the FMN has 2 options:

- 1) complete the link "New rider requests" with all the data of the new rider
- 2) or the FMN can send the link "New rider requests" to the rider to complete it with his/her personal details.

Once it is completed, the FIM will process the new rider to the registration platform and the FMN will be able to select and enter this new rider for the event through the above mentioned [link](#).

Each FMN can enter a maximum of 5 riders in each class of the 2021 FIM Junior Motocross World Championship/Cup; the FMNR can enter 7 riders.

Any rider participating in this event must:

- have the appropriate age;
- be holder of a passport of the country he/she represents;
- be holder of a valid 2021 FIM Junior Motocross World Championship (article No. 62 205 11) / World Cup licence (65 215 11) issued by any FMN;

To be eligible for participation in the 2021 FIM Junior Motocross World Championship/Cup and in order to obtain an FIM Licence, the riders must personally sign the "Acknowledgment and Agreement of the FIM Anti-Doping Code" form.

Please note that the rider should always have with him a copy of his "Acknowledgement and Agreement of the FIM Anti-Doping Code", which has been certified by his FMN. We suggest that he keeps this copy with his FIM licence.

The form will be available on the registration platform once the riders are registered and must be downloaded in due time by the FMN of the rider so that each rider can sign his form.

For any question regarding the registration process, please contact:

FIM/ Mr Dirk De Neve or Mrs Sandra Berthoud at: [mxjuniorregistration@fim.ch](mailto:mxjuniorregistration@fim.ch)

**Entries for the 2021 Junior Motocross World Championship/Cup must be made before the closing date of entries: 29 June 2021.**

## **3. FMN Delegate or contact person**

---

Since we are dealing with very young riders, we encourage every FMN entering riders at the event to nominate a FMN Delegate on site using the official form which will be sent to the FMN at a later stage. This FMN Delegate must be holder of a valid FIM Official's Licence.

If this were not possible, we suggest that you nominate an FMN contact person on site that we can rely on during the event. This person must not hold a FIM Official's Licence.

The FMN Delegate or FMN contact person will be allowed to attend the meetings of the Race Direction, priority given to the FMN Delegate.

## **4. Ride Green Cup Junior Motocross**

---

The "Ride Green Cup Junior Motocross" is based mainly on communication and motivation for riders and national teams to comply with current FIM environmental regulations. The goal is to encourage the young riders, their teams and parents to actively participate in the contest. How do they apply the [FIM Environmental Code](#) in their behaviour at the circuit, the paddock, the mechanic and signaling area, the sanitary installations, the motorcycle washing area, etc.? How creative are they in demonstrating their environmental knowledge and raising awareness via posters, Facebook pages, Instagram, videos, etc.?

The most creative national team will be crowned winner by a Jury and take home the "Ride Green Cup Junior Motocross" and invited on the podium.

## **5. Rider/Mechanic apparel and appearance**

---

Riders, mechanics and team members are encouraged to display the FIM Junior Motocross World Championship/Cup logos on their shirts/uniform/clothing.

National teams are encouraged to have shirts/uniforms/clothing for their riders, mechanics and team members.
