☒ I agree with the [FIM general condition](#)

☒ Pursuant to Article 60.5 of the FIM Sporting Code, the participant to an FIM Meeting (as defined by Article 30.1 of the FIM Sporting Code) exonerates the FIM, the FMNR, the CONUs, the FIM promoters, the organisers and the officials, their employees and officials, officers and agents from any and all liability for any loss, damage or injury which he/she may incur in the course of an FIM Meeting or or the practice for such Meeting.

In the event that the participant takes part in National Meetings Open to Foreign Participation (NMFP) with this licence, in view of the fact that the FIM is not in any way involved in the organisation of NMFP, his/her attention is particularly drawn to the fact that responsibility for NMFP at all levels (organisational, sporting and disciplinary) shall lie solely with the FMNR in accordance with article 10.1.8 of the FIM Sporting Code.

Furthermore, the participant agrees and undertakes to indemnify and hold harmless the FIM, the FMNR, the CONUs, the FIM promoters, the organisers and officials, the employees, officers and agents, from and against any and all liability to third parties for any loss, damage or injury caused for which he/she is solely or jointly and severally liable.

Final decisions handed down by the FIM jurisdictional bodies or the General Assembly of the FIM shall not be subject to appeal in the ordinary courts. Such decisions must be exclusively referred to the CAI as laid down in Article 5 of the FIM Statutes.

The team has read and understood unreservedly to be bound by the FIM applicable Regulations including notably the FIM Statutes and By-Laws, Sporting Code, Disciplinary Code, FIM Medical Code, FIM Code of Ethics and the FIM Antidoping Code.

The Team Licence entitles a team to enter its riders under its team's name and to have its team's mentioned in the official results without prejudice to the regulations of the FIM World Championships and Prize Events organised in partnership with a contractual FIM Promoter.
